MEASUREMENTS REQUIRED FOR THE MAKING OF A CASSOCK

CHEST _____ Measure completely around your chest, right under the arms. Please take the measurement over a shirt rather than a cassock, as we need your actual chest size.

WAIST _____ Measure completely around the largest section of your waist. Please do not list the size of your old cassock, as we need your actual waist size.

FULL LENGTH _____ Measure from the base of your collar down the center of the back to the top of the shoe (or any other length wanted). This length can be taken easily from an old cassock.

SLEEVE LENGTH _____ Measure from the center of the back of the neck to the end of the shoulder down to the wrist. You may also provide the sleeve length used when purchasing a dress shirt.

HIPS _____ **BICEP** _____ **NECK SIZE** _____

HEIGHT _____ **HEIGHT OF HEELS WORN (FEMALES ONLY)** _____

HEAD CIRCUMFERENCE _____

Are your shoulders: Normal Sloping Square

Male _____ Female _____

Please list any other information you feel will aid us on the reverse side.
